## **Bar/Bat Mitzvah FAQ**

### **1. Do event prices vary depending on the morning or night appointments?**

No, our rates are the same regardless of booking time.

### **2. How much do trials cost?**

We offer trials in our studio located in Katonah, NY. Trials are not always necessary for bar/bat mitzvahs as we build in time to your appointment to discuss your vision with us. However, if you are still interested in a trial, they are \$125 for adults and \$75 for bat/bar mitzvah pre-teens (this excludes travel fees for trials outside of the studio).

### **3. What is your policy and rates for touch-ups?**

We generally do not feel touch-ups are necessary for bar/bat mitzvahs. Our looks are made to last, and the only feature that may need refreshing is lips. You do have the option to buy the gloss we use on the day of to reapply throughout the day/night. We can always come back for a new look, which is often to transition from a day to night aesthetic.

### **4. Do you always require a contract and reservation fee to hold our event date?**

No, not always. We require contracts and a \$100 reservation fee for 3+ people. A signed contract and \$100 reservation fee, deducted from your services due the day of your event, solidify your booking with Essie Cohen Makeup LLC.

**5. I'm scheduling my hair appointment, should my hair be done before makeup on the day of?**

The order of hair and makeup does not matter, as long as your hair is being dry-styled (or not washed). If your hair is being washed during your appointment, we highly suggest having your hair done first, and then makeup. Otherwise, the appointment times do not matter.

**6. Do your prices change if I decide I do not want lashes?**

Our prices do not change if you decide not to have lashes. That is an additional bonus when booking our services.

**7. I have my kid's service in the morning and the celebration at night, will my makeup last all day?**

We have lots of experience working all-day events such as large weddings. We use high quality products and prep your skin for longwear. Our products and application technique are temperature and humidity resistant. We guarantee your makeup will last all 12+ hours, with the exception of your lips.
