

## Cosmos & Cosmetics Party Details

Cosmos and Cosmetics parties are our new go-to event for women 21+ who want to glam while sipping on some cocktails or mocktails– your choice. It is the best way to refresh after a long quarantine and socialize. Parties will educate the group on trendy makeup looks and will consist of learning how to master basic looks, demonstrating the best application techniques, and creating both subtle day-time and bold night-out looks. Whether it is coffee or cosmo's, this package will teach you how to be your own artist!
